Lateral Work 101

Got Leg Yield, Turn on the Forehand, Turn on the Haunches, Shoulder fore, Shoulder-in, Haunches-in, Half-pass, walk or canter pirouettes?

A chance to learn or review the theory, coordination of aids, position, timing and balance needed for working on two tracks and lateral work. Whether you aspire to help your horse climb the Pyramid of Training, (https://www.usdf.org/EduDocs/Training/Pyramid_of_Training.pdf) head down the centerline or venture down the trail to negotiate gates and obstacles, lateral work is essential.

All breeds and disciplines welcome!

Have a look at the USEF Dressage Rulebook to find the definitions of the various movements under DR 111 <https://www.usef.org/forms-pubs/F3p8pgrWgAo/dr-dressage-division>
